SOUTH has the strength for a raise to game in ♠s, but this could be dangerous since NORTH has overcalled rather than opened. Instead, SOUTH shows her strength with a Support Cue-bid.

NORTH in fact had a pretty good overcall so he jumps to 3♠ and SOUTH bids the game.

With a weak overcall NORTH would have just returned to 2♠ which SOUTH would pass.

Compare this to Deal 10.

WEST has the strength for a raise to game in ♠s, but this could be dangerous since EAST has overcalled rather than opened. Instead, WEST shows her strength with a Support Cue-bid.

EAST has very minimal overcall so he just bids 2 ♠ which WEST passes.

SOUTH has a maximum 1♥ opening bid.

NORTH would have made a Limit Raise in ♥s, but after WEST's overcall she makes a Support Cue-bid instead.

SOUTH thinks there may be a slam and bids 4NT Blackwood to check for Aces. When NORTH admits to one Ace SOUTH bids the slam.

West	North	East	South
