NORTH has 21 points, and when she hears SOUTH make a limit raise she tries for slam with RKCB.

SOUTH answers with just one Key Card so NORTH stops at 5♠, knowing they are missing two Key Cards.

Of course she didn't expect the two missing Key Cards to be the Ace and King of trumps!

4NT by East

What is this doing here in the RKCB Practice Pages?

To emphasize that there are many 4NT bids which are NOT asking for Aces.

In this case, EAST showed a balanced hand with 18 or 19 points, and WEST invited him to bid 6NT if he felt his hand was a "maximum". He didn't, so he passed.
