It is usually not recommended to use any form of Blackwood when you have a suit with two quick losers, but NORTH knows SOUTH would not preempt with a 10-high ♥ suit.

SOUTH's reply to RKCB is 5♥, showing two Key Cards. NORTH knows they are the ♥A ♥K so she can count thirteen tricks.

She bids a confident 7NT (and hopes SOUTH didn't open 3♥ with a 6-card suit.

5 ♠ by East

EAST has 21 points, and when she hears WEST make a limit raise she tries for slam with RKCB.

WEST answers with just one Key Card so EAST stops at 5 ♠, knowing they are missing two Key Cards.

Of course she didn't expect the two missing Key Cards to be the Ace and King of trumps!
