Even with a 6-card ♠ suit NORTH uses Stayman because he also has a 4-card ♥ suit. Given a choice, playing a 4-4 Major fit is usually preferable to a 6-2 or even a 6-3 fit.

But here SOUTH doesn't have four ♥s so NORTH just bids the game where he knows the partnership holds eight trumps.

EAST breaks the expected Transfer sequence by jumping to 3♥ instead of bidding just 2♥. This is called the "Super Accept" and it shows a hand with four of the trump suit with maximum point count.

WEST's ♣ bid and EAST's ♦ bid are Control bids, showing first round control of the suit that was bid.

NORTH uses Stayman because he has a 4-card ♠ suit.

SOUTH's 2♥ response wasn't exactly what NORTH was hoping for, so NORTH decides to bid 3NT.

SOUTH absolutely knows that NORTH holds a 4-card Major - and also knows that it isn't ♥s. So SOUTH bids 4♠.
