♣ K 4

SOUTH opens 2♣.

NORTH should just respond 2NT, even with 11 points. The idea is to make a positive response (which forces the partnership to game level), and show extra strength later.

This time there is no need. SOUTH should bid 4♣ (Gerber), and NORTH answers 4♠ for two Aces.

Next SOUTH should ask for Kings, and when NORTH shows one King SOUTH should bid 7NT.

6♦ by East			

When WEST opens 2♣ EAST has enough strength (9 points) for a positive response. But, because her suit is ♦s, she must jump to 3♦.

WEST thinks slam and uses Blackwood to discover that EAST holds one Ace.

That's all EAST needs to know to bid 6♦.
