NORTH has a perfect 1NT opener; a balanced hand with 16 points.

SOUTH has 7 points; he knows that the most points the partnership could hold is 24 (7 + 17). Since this is below the 26 point game requirement he passes.

3NT by East

EAST has an ideal 1NT opening - 16 points and balanced distribution.

With 12 points, WEST knows the partnership total is between 27 and 29, enough for game but not enough to think about slam. Since WEST also has a balanced hand she bids 3NT.
