4NT by North			

NORTH has a low-range 1NT opener; a balanced hand with 15 points.

SOUTH has 16 points; he figures the partnership holds either 31, 32 or 33. Obviously he wants to at least reach game, but if NORTH holds 17 points he wants to reach slam.

SOUTH bids 4NT. Since this is more than game it should be clear to NORTH that he is asking her to bid 6NT if she is at the top of her range. It is clear to NORTH, but with just 15 points she passes.

EAST has a minimum 1NT opening hand - balanced distribution with 15 points.

WEST has 9 points, which is not enough to bid game, but is worth making an invitational bid. So she says 2NT.

Since EAST is minimum he declines the invitation by passing.
