All Pass			
2NT by North			

With 21 points and 4-3-3-3 distribution, NORTH opens 2NT.

SOUTH has just 3 points; he knows that NORTH cannot have more than 21 so the partnership total cannot be more than 24. So he just passes 2NT.

This is an easy one to bid.

EAST has a balanced 16 points so he opens 1NT.

WEST has a balanced 12 points so she responds 3NT.

BUT - just look at how this would play. You might only be able to take 8 tricks. Sometimes correct bidding gets you to unmakeable contracts. But it's only a game.
