When NORTH opens 1NT, SOUTH knows that he cannot have more than 17 points. So with her 7 points, she knows there is no reason to respond.

EAST has a maximum 17 point 1NT opener.

WEST has 9 points: - if EAST has 15 the total is 24, not enough for game. - if EAST has 17 the total is 26, enough for game. Since WEST doesn't know what to do he passes the buck back to EAST by bidding 2NT; this is an invitation for EAST to bid game.

EAST has a maximum 17 point hand so she accepts the invitation.

With 9 points NORTH is unable to decide the final contract. If SOUTH has 17 points then the partnership should be playing 3NT. If SOUTH opened with just 15 points then 3NT will be too high..

So NORTH makes the temporizing bid of 2NT. This tells SOUTH that he must make the final call - go on to game if he has maximum, pass if he has minimum. On this Deal SOUTH has 17 points so he bids 3NT.
