Once more, NORTH has the same hand as Deals 1 and 2.

This time SOUTH has a very poor hand without any chance of making game. However, he should bid 4 ♠ anyway.

It is very likely that the opponents can make 4 ♥ if West gets the opportunity to get into the bidding. Hopefully the 4 ♠ bid will shut him out, and 4 ♠ probably won't go down more than a couple of tricks.

EAST has a pretty normal preemptive 3♦ bid.

WEST has the equivalent of an opening 1NT bid and will be very tempted to bid 3NT.

That might turn out to be a disaster, particularly if WEST is unable to reach the EAST hand.

WEST should assume EAST can win six tricks if ♦s are trumps. Thinking this way points WEST to her best call - PASS.
