SOUTH has one of those hands which might or might not be helpful to NORTH. He needs more information about NORTH's hand, so he bids 2NT.

NORTH has a better than average hand, so she bids 3♣ to show a high card in the suit.

SOUTH was hoping for a high card in ♦s rather than ♣s, so he signs off in 3♠

With four fast winners EAST should think about game. The best approach is usually to use 2NT to find out more about WEST's hand.

EAST found out that WEST has good opening strength, and, most importantly, either the ♥A or ♥K. Now that she doesn't have to worry about the opponents taking the first five ♥ tricks she bids 3NT.
