All Pass

4♥ by North

NORTH is too weak to open 1♥ but just right for 2♥.

Wow! SOUTH has 21 HCP and two good ♥s. Could this be time for a slam try?

Nope, no slam here. Suppose NORTH has six ♥s headed by the AK. The trump suit would certainly be solid, but then NORTH couldn't possibly have an outside Ace as well or he would have been too strong for a Weak-two opening. So SOUTH just bids 4♥.

WEST really hates that 2♥ opening by EAST.

But there's no sense bidding and probably making matters worse, so she grits her teeth and passes.

If you think 3NT has a chance you are delusional.

SOUTH expects to be better off in ♠s than NORTH would be in 2♥.

Whether or not you play a new suit as a one round force or not, NORTH should make the 3♠ bid with a hand this good. SOUTH then bids the ♠ game.
