The bidding has been as shown.

Surprise - you open 1NT. Partner responds 2♥. (no transfers in this lesson)

Pass. Partner has long ♥s (probably 6) and short points (fewer than 9). He has decided that 2♥ will be a better spot than 1NT. Trust him.

The bidding has been as shown.

You open 1NT and partner replies 3♥. What do you say next?

With this bidding method, partner's bid shows at least 10 points and exactly 5 ♥s. He expects you to choose between 3NT and 4♥. Since you have just a doubleton in ♥s you choose 3NT.

NOTE: Jacoby Transfers are very useful for this type of hand.

Yes this is exactly the same hand you held in Deal 8. You still open 1NT. This time partner responds 3♠.

Partner shows 10+ points and exactly 5 ♠s. This time, with 3-card support, you choose game in ♠s, knowing there is an 8-card fit.

The bidding has been as shown.

You open 1NT and partner says 3♦. It's your bid.

Partner has a great hand. A jump to 3 in a Minor suit almost always shows slam interest. But that's partner with interest, not you. You couldn't have a more minimum 1NT opening bid.

So you just return to 3NT. Partner gives up and passes.

The bidding has been as shown.

You open 1NT and partner responds 3♣. What is your next bid?

Partner's jump to 3♣ shows at least 5 ♣s and slam interest. Your hand is good enough to encourage that interest so you bypass 3NT and say 4♣. Partner now bids 4NT. What do you answer?

That is Blackwood. You admit to one Ace and partner bids 6♣.

The bidding has been as shown.

A 1NT overcall is almost the same as a 1NT opening. The range is increased to 15-18, but the main difference is that you **must** have the opponent's suit adequately stopped. Here you certainly have the stopper so you bid 1NT. Partner responds 2♥.

And the responses are the same also. Partner's 2♥ bid is a signoff bid, often called a "drop dead" bid. So even though you really like the ♥s you pass.
