1. 4th suit			

Lead: ♦ 2

South opens 1 ♠ - how do you respond? With 13 points, you respond 2 ♣, a natural 2/1 force to game. South next bids 2 ♥, showing the other Major suit. What do you rebid now? You assume South to be 5-4 in the Majors, so you cannot support either. You cannot bid 2NT without a stopper in ♦ s. So you bid the fourth suit, 3 ♦, telling South you know you must make a bid, but can't find anything appropriate. This is an artificial bid, and normally denies a diamond stopper (otherwise you would have bid 2NT). South rebids 3NT - what do you do now?

South now must find a bid. His choices include rebidding the 5-card ♠ s, supporting North's ♣ s with a doubleton Queen, or bidding 3NT with the ♦ K 6 as a stopper. He chooses this last option. It appears that 3NT is the best game for these two hands.

1. control

2. control

3. 2 keycards + trump Q

Lead: ♦ 7

How do you open the bidding? With 18 HCP and a balanced hand, you open 1 ♠. Partner responds 2 ♥. What do you rebid? You know this is a 5-card suit, and bid 3 ♥, confirming the 8+card trump fit and sets the trump suit. Partner rebids 3 ♠, a control bid, showing first or second round control. (Some will play this as showing 3-card support for spades, but I recommend playing this as a control bid.). You bid 4C, also a control bid, showing first or second round control in clubs. Partner bids 4NT, a keycard request using 1430.

You bid 5 ♠, showing two keycards and the trump queen. Partner bids the slam. The slam is a good one. If either the ♠ Q or ♣ K is right there are 12 tricks by way of a finesse. But the best way to play the hand would be to try to establish a ♠ in the South hand, and if that fails try the ♣ finesse.
