1. 4th suit			

Lead: ♦ 2

South opens 1 ♠ - how do you respond? With 13 points, you respond 2 ♣, a natural 2/1 force to game. South next bids 2 ♥, showing the other Major suit. What do you rebid now? You assume South to be 5-4 in the Majors, so you cannot support either. You cannot bid 2NT without a stopper in ♦ s. So you bid the fourth suit, 3 ♦, telling South you know you must make a bid, but can't find anything appropriate. This is an artificial bid, and normally denies a diamond stopper (otherwise you would have bid 2NT). South rebids 3NT - what do you do now?

South now must find a bid. His choices include rebidding the 5-card ♠ s, supporting North's ♣ s with a doubleton Queen, or bidding 3NT with the ♦ K 6 as a stopper. He chooses this last option. It appears that 3NT is the best game for these two hands.

1. control

2. control

3. 2 keycards + trump Q

Lead: ♦ 7

How do you open the bidding? With 18 HCP and a balanced hand, you open 1♠. Partner responds 2♥. What do you rebid? You know this is a 5-card suit, and bid 3♥, confirming the 8+card trump fit and sets the trump suit. Partner rebids 3♠, a control bid, showing first or second round control. (Some will play this as showing 3-card support for spades, but I recommend playing this as a control bid.). You bid 4C, also a control bid, showing first or second round control in clubs. Partner bids 4NT, a keycard request using 1430.

You bid 5♠, showing two keycards and the trump queen. Partner bids the slam. The slam is a good one. If either the ♠Q or ♣K is right there are 12 tricks by way of a finesse. But the best way to play the hand would be to try to establish a ♠ in the North hand, and if that fails try the ♣ finesse.

1. 2 keycards, no trump Q
2. king ask
3. no kings lower than hearts

Lead: ♠ 3

South opens 1 ♠. What do you respond with? You have a powerhouse, plenty strong enough to jump-shift. But playing 2/1 it's usually simpler when you make the 2/1 response, and save your jumping for later - if at all. So just bid 2 ♥, knowing South must keep the bidding open. South responds 3 ♥, setting the trump suit. Now you are definitely interested in slam. Since you have controls in all the side suits, you go right to keycard Blackwood, using the 1430 system. Partner responds 5 ♥.

Partner's 5 ♥ shows two keycards without the trump queen. But we have the other 3 keycards, and the trump queen. If partner has the two minor kings we might have a grand. We ask about these with our 5NT bid. Unfortunately, partner responds 6 ♥ (playing specific kings, this denies any kings lower than hearts). We will pass and play there. This is a good slam, cold if East makes any opening lead other than a ♣. With a ♣ lead, North will have to pull trumps and play to discard a loser on the ♠ 10.

Lead: ♣J

How do you start the bidding? You opens 1♠.

Partner bids 2♥. Your priority on your first rebid is to agree trumps if possible. Knowing South has at least a 5-card suit, you raise to 3♥. You are in a Game Forcing auction, so you know partner will continue bidding. South now bids 4♣. South's 4♣ bid shows first or second round control in clubs, and shows slam interest. You cooperate by bidding your next control up suit order - 4♦. This doesn't promise extra values, it's just following partner's path. South asks for keycards using 1430. What is your reply? You show two keycards without the trump queen. Partner is excited about this and bids 5NT - what's your bid now? Partner's 5NT is asking for specific kings. Since we don't have any kings lower than the trump suit, we have to bid 6♥. and gets two. He decides to find out about Kings, if North happens to have three he will bid 7NT. When North shows just one South settles for 6♥. This should be a good slam, needing only a decent ♠ break.
