♣ 6 5

You dealt this hand.

You open with a Weak 2-Bid, 2♦. Partner responds 2NT. What do you say next?

The 2NT bid is forcing and you have better than a minimum. You show your "feature" by bidding 3♥. Partner now bids 3NT which you naturally pass.

One of the characteristics of Weak 2-Bids is that Responder often is unsure how high to go. That's why the 2NT bid is such a great tool. In this case you bid 2NT and partner says 3 ♦.

You weren't sure whether to take partner to game or not. His 3 ♦ bid tells you that he has a 9-11 point opener which includes the ♦ K. You couldn't hope for much more than that, so you bid 4 ♠.

You have a good Weak 2-Bid but East already opened. So you just make a Weak Jump Overcall of 2♠. West passes and partner raises to 3♠. East passes.

Pass. Partner is in charge. If he had wanted you to bid again he could have forced you with 2NT.

They shouldn't really be this easy. You bid 2NT and partner replies 3NT.

You pass of course. Partner's 3NT says his suit is A K Q x x x and you can therefore count 9 top tricks.

You have a perfect 2 ♦ opening except for one thing. Well, except for four things really, those four ♠s. So you pass. Then partner opens 1 ♠.

Well, we have passed out of the realm of Weak Twos and into Major Suit Raises! No problem, it's all Bridge. You make a limit raise of 3 ♠ and partner bids 4 ♠.

You know partner must have the ♠ K since he wouldn't open a Jack-high suit. You need to find out if he has an outside Ace. So you bid 4NT and he answers 5 ♦.

Partner has one Ace. Bid 6 ♠.
