With 5 cards in the "other" Major and a 5-card Minor suit this looks like an ideal Michaels Cue-Bid, right? No, not really. While it would not be a capital offense to bid 2♥ here, it generally works out better with 13-16 point hands to just overcall in your higher-ranking suit. You bid 1♠. Partner responds 2♥.

Partner's cue-bid shows a limit-raise or better in ♠s. So you bid 4♠ without the blink of an eye.

Partner is 5-5 in ♠s and one of the Minor suits.

Forget ♠s, you want him to bid the Minor. So you bid 2NT. Partner says 3♣.

Partner only made a minimum bid, so you have no choice but to pass.

With 18 points and 5-5 Major suits you are up in the high-level Michaels category. You bid 2♦ and partner responds 2♥.

Yes, you have a high-level Michaels hand but don't get carried away. Remember that you forced partner to bid. Any bid at all by you at this point will show 17+ points, so you just raise to 3♥. Partner has a weak hand and passes.

Partner wants you to bid ♥s or ♦s. You figure that in either of the red suits you will have a 7-card fit. You hope to do better than that in ♠s. So you bid 3♠ and everybody passes.

The bidding has been as shown.

You have 20 points and two good 5-card Majors so you bid a Michaels 2 ♣. Partner responds 2 ♠. What do you say next?

Partner may have as few as zero points and as many as 13 or so. You **COULD** bid an invitational 3 ♠, but if he has only 5 or 6 points he will pass. Looking at your hand you only need to find partner with ♠ J x x to have a good shot at game. So go ahead and bid 4 ♠.

Will you look at that. Partner has only 2 points, but what great ones to have!
