I admit it, I tried to trap you. Just because this is a lesson about Negative Doubles doesn't mean you should abandon your normal good bidding practices. You have a known 8-card ♥ fit so you don't need to bother telling partner about your two 4-card Minors. With 12 points and support you make a cue-bid in the opponent's suit which tells partner you have limit-raise or better.

Partner now bids 4♥ which you pass.

The bidding has been as shown.

With 8 points and 4 ♥s you have enough to make a negative double. Partner bids 2 ♥.

Partner also has 4 ♥s. Unfortunately his strength is only in the 13-15 point range. So you pass.

Partner is showing you a ♥ suit with at least 6 points. With 4 ♥s in a minimum strength hand your rebid is 2♥. Everyone passes.

The bidding has been as shown.

You just scrape 7 points together. With your 4-card Major that's enough for a Negative Double. So you double and partner jumps to 2♠. What is your bid?

Partner's jump is inviting but it takes more than just a simple jump to get you excited with this junk. Even though partner has 16-18 points you pass.

The bidding has been as shown.

Partner has indicated a 4-card ♠ suit. Since you also have 4 you will naturally bid them. However, with the ♠ fit your hand revalues to 17 points. So you jump to 2♠. Partner bids the game.
