The bidding has been as shown. It is your turn.

You have 14 points but so what. You have no 5-card suit to Overcall. You cannot make a Takeout Double with 4 of their suit. So you pass. It is important to realize that there are hands you would open but cannot overcall with.

The bidding has been as shown.

With four trumps and 12 points you have a text-book raise to 3♥. Partner had a minimum overcall though, so he passed.

The bidding has been as shown.

With 12 points and a good suit you have a very solid overcall so you bid 1♥. Partner responds 2♥.

Partner is showing 6-10 points and three trumps. Your hand revalues to 14 at most so you pass.

The bidding has been as shown.

You really don't like partner's ♠s, and you do have 8 points. But 8 points is not enough to be considering game, and you would have to bid your ♥s at the 2-level. All things considered it is better to pass while you still aren't doubled.
