SOUTH's 2♥ raise shows 6-10 points and a least three trumps.

NORTH, with 19+ points, decides that game is almost a certainty and bids 4♥.

SOUTH has an ideal 1NT opening - 15 points and balanced distribution.

With 12 points, NORTH knows the partnership total is between 27 and 29, enough for game but not enough to think about slam. Since NORTH has no 4-card Major suit she bids 3NT.

With 6 points, NORTH must respond to SOUTH's 1♣ opening bid. While it is often correct to respond by bidding suits "up-the-line", NORTH should skip over the weak ♦ suit in favor of showing the 4-card Major ♠ suit.

SOUTH knows that NORTH may only have four ♠s, but with four of her own she can support the suit. Since she has a minimum opening bid she merely raises to 2♠. With his minimum response hand NORTH passes.

With 17 points SOUTH is not strong enough to insist on game after NORTH's raise, but is strong enough to invite with a 3♥ bid.

NORTH, however, doesn't have anything extra, so declines to go further.

This is a classic Notrump bidding sequence.

NORTH opens 1NT with 17 points and balanced distribution. SOUTH, with 9 points is not strong enough to bid game, but invites with 2NT. NORTH has a maximum, so she accepts the invitation.

With two 4-card Majors NORTH should respond
"up-the-line", bidding ♥s first.

Then, after SOUTH bids 1♠, NORTH has enough
points to jump all the way to 4♠.
