

Overcalls

Because of the Defensive element, the most important requirement for an Overcall is that you have a good suit, one that you'd like partner to lead. Keep in mind:

- a 5-card or longer suit with honor strength

- 9-16 points to overcall at the 1-level

- 11-16 points to overcall at the 2-level

Takeout Doubles

There are three kinds of Takeout Double:

- opening hand strength, no more than 2 of opponent's suit, at least 3 in all other suits
- strong Overcall type, at least 17 points and a good suit. Double, then bid the suit.
- strong Notrump type, 19+ points, stopper in their suit. Double, then bid notrump.

Responding to a Takeout Double

- 0-8 points, bid your best suit as cheaply as possible

- 9-11 points, jump in your best suit

- 12 or more points, cue-bid the opponent's suit

With 14 points, ♣ shortage, and support for the other suits SOUTH makes a Takeout Double.

NORTH has 13 points so she bids 2♣. This is an artificial bid, apprising SOUTH of NORTH's opening hand strength, and forcing the partnership to reach the game level.

SOUTH suggests ♥s as trumps. NORTH doesn't like ♥s so she suggests ♠s. SOUTH agrees with ♠s and bids game, 4♠.

SOUTH's 1♥ opening is passed around to EAST. He is tempted to overcall 1♠, but with 18 points is a little strong for a mere overcall. Instead, he doubles.

With 8 points WEST is not strong enough to jump. She bids 2♣.

EAST now bids 2♠. By doubling first, then bidding his own suit, he shows a good suit and 17+ points.

WEST raises to 4♠.

SOUTH has 18 points, a balanced hand, and a good stopper in their suit. He should overcall 1NT. For 1NT overcalls, the range is increased to 15-18 points.

NORTH bids 2♣ (Stayman), just as she would with a 1NT opening. When SOUTH denies holding a 4-card Major NORTH has enough points to bid 3NT. She doesn't worry about a ♠ stopper since SOUTH promised he had the suit controlled.

WEST has 20 points, excellent ♦ stoppers and a balanced hand. She is two points too strong to overcall 1NT. Instead, she doubles.

EAST has an awful hand - but since he is forced to bid he says 1♠, assuming WEST wants to hear his best suit.

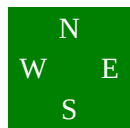

WEST now bids 1NT, showing the balanced 19-21 point hand. EAST passes, of course.

NORTH has a 19 point balanced hand, including a stop in ♥s. He plans to double, then bid NT. (see Deal 9)

SOUTH has 10 points though, so he jumps to 2 ♠.

In theory NORTH could now bid 2NT to continue the description of his hand, but he might as well go ahead and bid 3NT instead.
