

Strong 2-♣ Opening

Open 2♣ on any hand containing 22 or more points.

OR, open 2♣ with a hand containing 19-21 points and with 9+ playing tricks.

There are several methods of responding. For these Deals use the 2♦ Negative for all hands with 7 or fewer points. Any other response shows 8 or more points.

The 2♣ bid is artificial; Opener's second bid describes her hand.

2NT shows a balanced 22-24 point hand

3NT shows a balanced 25-27 point hand

2 of a suit shows a 5-card or longer suit

With a very weak hand (0-3 points) Responder should bid the "second negative" at his second turn. This is usually 3♣, but if Opener bids 3♣ then it is 3♦. If Opener should bid 3♦ at his second turn the second negative bid is 3♥.

Later bidding depends on the partnership, but unless particular conventions are in use then later bidding is natural.

NORTH has a perfect hand for an opening bid of 2♣. 23 points and balanced distribution is just fine.

SOUTH is glad to hear his partner has lots of points, because he was shortchanged. However, he must answer, so with 1 point he bids a negative 2♦.

NORTH describes her hand by saying 2NT. SOUTH does not have to bid the double negative over a 2NT bid, so he passes.
