SOUTH has 17 points counting 1 extra for the fifth ♠. This is a middle-range hand with five ♠s. So he opens 1 ♠.

NORTH only has 7 points, 6 in high cards and one more for the doubleton ♦. But she does have three ♠s, so she can respond 2 ♠.

Since SOUTH is middle-range, he makes one more try by bidding 3 ♠.

If NORTH had 9 or 10 points she would now bid 4 ♠ - but with 7 she passes.

 ♣ Q 5 4

With 8 points, NORTH is not strong enough to open the bidding.

SOUTH has 13 points, barely meeting the minimum for a 1-opening. Note that the fifth and sixth ♠ each added 1 point to his count. He opens 1 ♠.

Although NORTH passed originally, she must respond to SOUTH's opening bid. Since she has three ♠s she raises to 2 ♠.

In light of NORTH's weak response SOUTH passes.

SOUTH has 14 points and opens 1 ♠, her 5-card Major.

NORTH could bid 3 ♠, a Limit Raise with his 11 points. But it is often a good idea, when you have five of the Major suit that partner opened with, to just go ahead and bid the game. So North should bid 4 ♠ here.

See the NOTE in Deal 13. When you use weaker 5-card support hands for your jump to game, you need to find another way to describe your opening-hand-strength type hands.
