Nice hand. 19 points and a good 5-card Major. You open 1♥. Partner responds 2♥. What is your next bid? [BID 4♥]

You revalue to 20 points (doubleton ♠) and partner has between 6 and 10. So, 26 to 30 is the total. Game should be there, but slam is out of reach. So you bid 4♥.

[show S]

[show NS]

When you have a weak, distributional hand with 5 of partner's suit an immediate jump to game is usually the best approach. If he has a good hand you will probably make the contract. If he is minimum then you might get a preemptive effect and stop your LHO from entering the bidding.

This is a good example. Partner may be lucky and
