3NT by North			

[show S] [BID 3NT] [show NS] NORTH has 16 points and balanced distribution. She naturally opens 1NT.

SOUTH has 14 points and balanced distribution so he does the math. The partnership has at least 29 points (14 + 15). The partnership has at most 31 points (14 + 17).

Since this is more than the 26 needed for game, but fewer than the 33 needed for slam SOUTH just bids 3NT, knowing NORTH will respect his decision and pass.
