How do you start the bidding? You opens 1 ♠.

Partner bids 2 ♥. Your priority on your first rebid is to agree trumps if possible. Knowing North has at least a 5-card suit, you raise to 3 ♥. You are in a Game Forcing auction, so you know partner will continue bidding. North now bids 4 ♣. North's 4 ♣ bid shows first or second round control in clubs, and shows slam interest. You cooperate by bidding your next control up suit order - 4 ♦. This doesn't promise extra values, it's just following partner's path. North asks for keycards using 1430. What is your reply? You show two keycards without the trump queen. Partner is excited about this and bids 5NT - what's your bid now? Partner's 5NT is asking for specific kings. Since we don't have any kings lower than the trump suit, we have to bid 6 ♥. and gets two. He decides to find out about Kings, if South happens to have three he will bid 7NT. When South shows just one North settles for 6 ♥. This should be a good slam, needing only a decent ♠ break.

East opens 1♠. With 11 points you cannot respond 2♣. So you bid 1NT, which is forcing for 1 round. East rebids 2♠, promising at least 6 ♠s and denying a 4-card side suit.

You are strong enough to invite to game, and with the known 8-card fit you say 3♠. East has a little extra so he bids 4♠, which is a pretty good contract.
