You have an invitational strength hand, but there are TWO suits you could use some help in. In this case you pick the suit where the Help would be most welcome. If partner can Help in ♦s that will probably be all you need to make game.

So you bid 3♦ and partner puts you right to 4♠.

Partner has invited you to bid game and you have 10 points, an absolute maximum. But, he has also told you he is worried about ♣s and your help in that suit is rather nebulous.

Since you have to make a judgement one way or the other you should decide that a Queen is a little bit of Help and with the 10 points that should be enough. You bid 4♥.

Except for the ♠ weakness you have a nice hand. If partner can Help you in that suit then you want to be in game.

So you bid 2♠ and partner bids 4♥. Sometimes it is easy.
