6NT by South
 you are on the same wavelength.

Here both partners understood the bid and South bid 6NT.

South opens 1NT.

With 16 points you have to be thinking about slam.
 But first things first, start the transfer process by
 bidding 2♥.

What is your next bid after partner's 2♠?

With 16 points you want to make an invitation to
 slam, but you also need to let partner know that you
 only have 5 ♠s so that he can play notrump when he
 only has a doubleton ♠.

The **BEST** way to say both these things is to bid
 4NT. This is similar to the 2NT bid in Deal 2.

But you can see the problem with the bid - if partner
 mistakes it for Blackwood 4NT things could get very
 confused. So don't use this unless you know both of

4♥ by South			

South opens 2NT showing a balanced 20-21 point hand.

Jacoby Transfers work fine with 2NT openings also. You should bid 3♦ as a transfer to ♥s. Partner complies by saying 3♥.

You bid 3NT which tells partner you have just 5 ♥s and lets him decide on which game to play.

On this Deal partner has 3 ♥s so he bids on to 4♥.

Notice that when partner opens 2NT the invitation to game option is no longer available. As responder you must decide immediately whether to stop short of game (by transferring then passing) or to go to game. This is not a serious problem since the tighter (20-21) point range makes responder's decision easier to make.
