4♥ by North			

South opens 1NT.

This is the sequel to Deal 6. You are 5-5 in the Majors again, but this time you have game forcing strength.

The preferred method for this hand is to transfer partner to ♠s, so you bid 2♥.

What do you bid after partner completes the transfer?

You show your second 5-card Major by bidding 3♥. Since this shows game-forcing strength (11+ points) partner may not pass, but must bid either 4♥ or 4♠. In this Deal he naturally bids 4♥.

If you held an even stronger hand and wished to move toward a slam you would start out the same way but then bid again after partner's game bid.

South opens 1NT.

Initiate the transfer by bidding 2♥. After partner responds 2♠

Your bid of a minor suit here shows at least 4 cards and is a slam try. With a weaker hand you would probably just bid 2NT or 3NT.

Having made the try, you accept whatever partner decides. In this case, with a 15 point minimum, a doubleton ♠ and no ♣ fit, partner settles on 3NT.

6NT by North

you are on the same wavelength.

North opens 1NT.

With 16 points you have to be thinking about slam.

But first things first, start the transfer process by bidding 2♥.

What is your next bid after partner's 2♠?

With 16 points you want to make an invitation to slam, but you also need to let partner know that you only have 5 ♠s so that he can play notrump when he only has a doubleton ♠.

The **BEST** way to say both these things is to bid 4NT. This is similar to the 2NT bid in Deal 2.

But you can see the problem with the bid - if partner mistakes it for Blackwood 4NT things could get very confused. So don't use this unless you know both of

Here both partners understood the bid and North bid 6NT.
