The bidding has been as shown.

You have 13 points and if partner had opened with a 1 ♠ bid you'd be feeling "jumpy". But what a preemptive bidder needs from dummy are immediate winners, not points. So you pass.

Here's a pretty good tip: When partner opens with a 3-bid and you are trying to decide whether to take him to game, visualize him holding this very hand: K Q J 10 x x x of trumps and nothing in any other suit. Then base your decision on that.
