You dealt this hand.

You open with a Weak 2-Bid, 2♦. Partner responds 2NT. What do you say next?

The 2NT bid is forcing and you have better than a minimum. You show your "feature" by bidding 3♥. Partner now bids 3NT which you naturally pass.

One of the characteristics of Weak 2-Bids is that Responder often is unsure how high to go. That's why the 2NT bid is such a great tool. In this case you bid 2NT and partner says 3 ♦.

You weren't sure whether to take partner to game or not. His 3 ♦ bid tells you that he has a 9-11 point opener which includes the ♦K. You couldn't hope for much more than that, so you bid 4 ♠.

3 ♠ by North

You have a good Weak 2-Bid but West already opened. So you just make a Weak Jump Overcall of 2 ♠. East passes and partner raises to 3 ♠. West passes.

Pass. Partner is in charge. If he had wanted you to bid again he could have forced you with 2NT.
