The bidding has been as shown.

The general guideline for a Negative Double when both Majors are unbid is that you must have 4+ cards in at least **ONE** of the Majors. But for this specific sequence, 1♣ - 1♦, you do not double unless you have **BOTH** Majors. When you have only one of them you just bid it. Like this hand. You bid 1♠. Partner rebids 1NT.

Partner has a minimum hand and fewer than 4 ♠s. A good time for you to pass.

The bidding has been as shown.

Partner has 10+ points, a ♠ suit and fewer than 3 ♥s. Doesn't this look like the perfect hand to pass for penalties? Yes.
