You have a pretty good hand and if partner has a limit raise or better you should bid 4♥.

But partner doesn't have a limit raise - if he did he would have cue-bid. So you pass.

You would have bid 2♠ if West had not overcalled.

Instead, with 4 trumps you can jump to 3♠ as a preemptive measure. Partner will not mistake this for a limit raise since you would have cue-bid with 11+ points and support.

The jump to 3 is based on the Law of Total Tricks - bidding to a trick level equal to the number of your side's trumps.

Partner has a limit raise or better in ♥s, 11 points or more.

You, however, have a bare-bones minimum. So you rebid a minimum 3♥, which partner passes.
