3NT by North			

North is to play 3NT. East leads the ♣3, West plays the ♣A.

Winners: ♠=1 ♥=2 ♦=1 ♣=2 Total = 6

You have the possibility of one additional ♠ winner if East holds the ♠K. However, ♦s is your best suit and if West holds the ♦K you could gain all three winners that you need from that suit. But of course you need perhaps 2 dummy entries. Do you have them?

Well, you probably do. East's small ♣ lead probably indicates an honor, and with West playing the ♣A you can be pretty sure that East holds the ♣J. So by playing your ♣K underneath the ♣A you set up a second entry to dummy via the ♣ finesse.

Assume West now plays a ♥. Take your ♥A and play a ♣ to dummy's ♣10. Lead a ♦ and finesse the ♦J, which holds. Play another ♣ to dummy and finesse another ♦. Now play your ♦A and smile when the ♦K drops and your fourth ♦ becomes a winner.

As soon as West put up the ♣A you knew you could win 2 ♣ tricks.

By unblocking the ♣K you were still pretty confident that you would get the two tricks, but the bonus was in the extra dummy entry your unblock created.

3NT by South
 when East plays low. Play one more ♣ to your ♣A, picking up East's ♣K this time.

The ♣ suit is ready to run, so play your ♥K to dummy's ♥A and take your ♣ winners. You took 9 tricks in all, the ♦K, the ♥A Q and all 6 ♣s.

You started with 3 ♥ winners, but had to sacrifice one of them to get the second entry to dummy.

Since it gave you all 6 ♣ tricks the sacrifice was well worth it.

South is to play 3NT. West leads the ♦5, East plays the ♦Q.

Winners: ♠=0 ♥=3 ♦=1 ♣=1 Total = 5

You must take the ♦K right now or you might lose the first 5 tricks.

It's a shame about that solid ♠ suit, but if you try to win even a single ♠ they will grab the ♠A and win enough ♦ tricks to set the contract.

So you are going to have to win a lot of ♣ tricks, and do so without losing the lead. You need dummy entries, and they must be in ♥s.

Win the ♦K. Play the ♥J to dummy's ♥Q. Play the ♣Q and when East follows with a low card let it ride. Still in dummy, play the ♣J, again letting it ride.
