Lead the ♠4, fourth down in a good suit with broken honors (no sequence).

The only suit you have worth attacking with is your ♠s. Leading fourth down is standard with this type of holding, but it does have some risk. You are hoping to find partner with the ♠Q or, even better, the ♠A.

This time he comes through with the ♠A and your side wins the first 5 tricks for a 1-trick set.

If you had led any card other than a low ♠ declarer would take 10 tricks.

Lead the ♠ K, the top of a 2-card honor sequence.

Against a suit contract you want to try to set up a quick winner in the suit.

Notice that with any other lead declarer would have been able to discard a ♠ loser (maybe both of them) on dummy's ♣s.
