East, so you play your ♣J and let East win his ♣A. You can be sure East has the ♣A because South would have played the suit differently if he held the Ace.

East will win the ♣A and return his ♠ through South's ♠ A Q. This allows you to set up your ♠ suit while you still have the ♣K for an entry.

[showcards S:C6]

You are West. The bidding has been as shown.

You lead the ♠7; ♠3, ♠2 and won by South with ♠Q.

South then plays the ♣6 from his hand. Which ♣ should you play?

Play the ♣J.

You should not allow yourself to be misled by South winning the first trick with the ♠Q. East does not hold either the ♠A or the ♠J or he would have played it. South is just trying to be deceptive.

That means you need the next ♠ play to come from

 overruff any of North's trumps.

[showcards N:S6]

You are East. The bidding has been as shown.

Partner led the ♦Q, you signaled with the ♦8 and
 South won the ♦A.

South then played low to dummy's ♠K, and led
 dummy's ♠6. Your decision is not whether to play
 high or low, but whether to ruff or not, which
 amounts to the same thing.

Do not ruff.

Even though South holds the ♠A, if you ruff now he
 will just put on a small ♠ and you will be ruffing a
 loser. Instead discard a ♦.

South will win the ♠A, but will not be able to ruff
 any ♠ losers in dummy because your trumps can

Suppose you had ruffed the ♠. South would have played his ♠9, leaving himself with ♠ A J. He would then get the lead and pull your two remaining trumps. That would leave one trump in dummy to ruff his ♠J, his only remaining loser.

[showcards S:H4]

You are West. The bidding has been as shown.

You lead the ♣K and continue with the ♣J then ♣Q, taken by South's ♣A. To trick 4 South plays the ♥4. What do you play?

Play the ♥Q.

To see why you should play the ♥Q, just visualize the result if you play low. South will finesse with dummy's ♥8. If East wins his ♥J on this trick there will be 4 good ♥ tricks in dummy. If East withholds his ♥J then Declarer will have 3 ♥ winners.

Now visualize the result of playing the ♥Q. Whether South takes this trick or not he cannot win more than
