you play low. Declarer will love you. He will hold up on the ♥Q, then again on trick two when you play the ♥K. AND HE WILL STILL HAVE HIS ♥A when you switch to another suit. He will have time to drive out the ♣A while he still has ♥s stopped.

It was a good thing you held the ♥K rather than declarer, but it is a nuisance that you must get out of the way on the very first trick.

[showcards W:HQ N:H4]

The bidding has been as shown. Partner led the ♥Q, dummy played the ♥4

Play the ♥K.

Admittedly you have a terrible hand. But that's no reason to be careless. **YOU** can beat this contract, but you have to do it right now by unblocking the ♥K. If declarer holds up you will continue with your ♥7 and partner will establish his suit while he still has the ♣A for an entry. If declarer doesn't hold up it will be just as bad for him.

But suppose you say "Well, partner's ♥Q is just as good as my ♥K so I'll just save the King for later" as

[showcards W:H2 N:HA]

The bidding has been as shown. Partner led the ♥2, dummy played the ♥A

Play the ♥Q (or ♥K).

You know partner has a 4-card ♥ suit, (he led the deuce), and you know it is headed by an honor. You hope the honor is the ♥J, but in any case you must get your high ♥s out of the way.

Declarer will probably come to his hand and then take a ♠ finesse. You win the ♠K, take your other high ♥, then lead your ♥3 toward your partner.

As you see, partner did hold the ♥ J 9, so your side wins 3 ♥ tricks.

If declarer played low on the first trick you would win the ♥Q, then play the ♥K to dummy's ♥A.
