to dummy to finesse the ♥K, so you play the ♥A then the ♥Q, hoping a defender will grab their ♥K and set up three ♥ winners in dummy.

But they allow your ♥Q to hold the trick.

Now you are desperate. You need two entries to dummy, one so you can play ♥s to force out the ♥Q, and another to enjoy the good ♥s. One of these entries will be the ♣K and the second will have to be the ♣J. So you play a ♣ to the Jack and then you . . .

. . .

Lucky you. West held the ♣Q.

But don't get too smug. A lot of the plays work in these practice deals because they are set up to reward the correct Plan. In real life finesses only work half the time.

Partner's 3♦ bid is a transfer; you dutifully reply 3♥. Partner now bids 3NT.

Partner has just a 5-card ♥ suit. He doesn't have 4 ♠s or he would have used Stayman.

With no 8-card Major fit you pass 3NT.

South plays 3NT. West leads the ♠Q on which East plays the ♠7.

Winner List: ♠ = 2 : ♥ = 1 : ♦ = 1 : ♣ = 2 :: Total = 6

You might get one more winner from the ♣ finesse, but basically you are going to have to establish dummy's ♥s.

You don't have the entries to think about going over

4♥ by South hand.			

You have 9 points, an invitational strength hand.
With 6 ♥s you transfer partner by bidding 2♦.
Partner replies 2♥.

You have 9 points, an invitational strength hand.
With 6 ♥s you transfer partner by bidding 2♦.
Partner replies 2♥.

Remember, you have invitational strength, so even
with a great trump suit you bid just 3♥. Partner puts
it in game at 4♥.

The contract would be 4♥ played by North.

South plays 4♥. West leads the ♦J and East plays
the ♦9.

Loser List: ♠ = 2 : ♥ = 1 : ♦ = 0 : ♣ = 1 :: Total =
4Losers are as seen from dummy, the long-trump

You might get lucky in one of the black suits, but your best hope is that West holds the ♥K.

You win the first ♦ and play a ♥ to dummy's ♥10, which wins the trick. You smile. Return to your hand with the other ♦, then play your last ♥ to dummy's ♥J, which wins the trick. But this time you don't smile because East discards! West still holds ♥K 9 and you have no more ♥s to lead for a finesse. Does that finish you?

Never say die. Return to your hand with a black Ace and ruff a ♦ in dummy. Dummy's trumps are now ♥A Q 6 and West still has ♥K 9.

Back to your hand with the other black Ace and ruff another ♦ in dummy. Dummy's trumps are now ♥A Q and West still has ♥K 9. Play any black card from dummy, then sit back and wait for your two trump tricks!

Bad trump splits can sometimes be countered by a technique called a trump coup.

The coup is accomplished by ruffing to shorten the trump holding so you won't have to play trumps from that holding.

Pretty much like this hand.
