♣ -

SOUTH's jump to 4♣ is a Splinter bid, at least 4-card ♥ support, at least opening hand, and a ♣ Singleton or Void.

NORTH bids 4NT, Blackwood.

SOUTH's 5NT reply shows two Aces and a Void somewhere, obviously ♣s.

NORTH counts thirteen tricks and bids 7♥.

6♥ by East

EAST figures that if WEST holds two Aces he will bid the slam.

WEST only has one Ace, but she has something else just as good - a void in a suit which is higher-ranking than ♥s.

EAST manages to figure out that WEST has a ♠ void and bids the slam anyway.
