7 ♥ by South

When NORTH answers Blackwood with one Ace SOUTH decides to bid 5NT to ask for Kings.

With two Kings, NORTH would bid 6 ♥. But she knows that if she does so, SOUTH might stop right there.

Knowing the 5NT bid guarantees all four Aces, NORTH figures her ♣ suit will supply five tricks so she bids 7 ♥.

SOUTH thinks there might be slam if NORTH holds both minor Aces, so he tries Blackwood.

When NORTH shows just one Ace SOUTH is afraid he will have a trump loser as well, so he stops at 5♥.

It turns out that SOUTH might make twelve tricks, depending on the ♥K situation.
