When NORTH opens 1NT SOUTH hopes his hand includes all four Aces so she can bid 7NT. So she uses Gerber to find out.

But, when she discovers they are missing an Ace she settles for 6NT.

SOUTH has a pretty good hand, and when NORTH shows ♥ support she naturally thinks about slam.

She has all four Aces but she wants to know about Kings. Unfortunately she can't start at 5NT because that has a different meaning, so she goes through the 4NT sequence even though she already knows the Ace answer.

Finding NORTH with two Kings was what she wanted.

SOUTH is just shy of a 2♣ opening bid, and when NORTH shows 13-15 points SOUTH wants to be in a slam.

SOUTH cannot use Blackwood because 4NT would be a natural invitation, but with NORTH's latest bid being 2NT he can use Gerber.

Two Major Aces and two Minor Kings fill the holes in SOUTH's hand so he bids 7NT.
