SOUTH thinks there might be slam if NORTH holds both minor Aces, so he tries Blackwood.

When NORTH shows just one Ace SOUTH is afraid he will have a trump loser as well, so he stops at 5♥.

It turns out that SOUTH might make twelve tricks, depending on the ♥K situation.

NORTH might be tempted to blast into Blackwood with his first bid, pushing toward some slam in ♥s. He chooses to temporize with a 1♥ response and is rewarded when SOUTH jumps to 2NT (18-19 points).

The Notrump bid prevents NORTH from using Blackwood, but Gerber 4♣ will work just fine. When he discovers that SOUTH holds three Aces and one King he can count thirteen tricks.

SOUTH responds 2NT, showing 8+ points with no 5-card suit.

NORTH only needs to know how many Aces are in the SOUTH hand. He must use Gerber since 4NT in this situation would not be Blackwood.

When SOUTH shows two Aces NORTH bids 6NT.
