NORTH bids 3NT to show a good hand with five
♠s.

SOUTH shows his ♦ control, and NORTH then
shows her ♥ control.

A final check with Blackwood shows two Aces
missing. Too bad.

♣ 10 9 8 3

EAST shows his 6-card ♠ suit by bidding 3♠.

WEST shows her ♣ control and EAST shows his ♥ control, but it seems neither has a control in ♦s.

So they stop in game.

SOUTH might just use Jacoby 2NT since he has great ♥ support and more than 13 points. But, he has so much more than 13 points that he should inform partner by making a jump-shift. He plans to return to ♥s later.

NORTH has different plans. Knowing partner has five ♠s and 17 or more points she pushes straight to the ♠ slam.

It didn't matter, slam is cold in either Major.
