4NT by North

What is this doing here in the RKCB Practice Pages?

To emphasize that there are many 4NT bids which are NOT asking for Aces.

In this case, NORTH showed a balanced hand with 18 or 19 points, and SOUTH invited him to bid 6NT if he felt his hand was a "maximum". He didn't, so he passed.

 ♣ 7 6 4

When NORTH makes a Splinter bid, showing ♥ support and ♣ shortness, SOUTH naturally thinks about slam.

She uses RKCB 4NT, and NORTH, with one Key Card and a ♣ Void, bids 6♣.

Just what SOUTH needed for the 6♥ bid.

SOUTH thinks they should be in slam, and uses Stayman to check for a 4-4 Major fit.

When NORTH announces four ♠s SOUTH uses RKCB 4NT.

NORTH's 5♠ bid shows two Key Cards plus the ♠Q.

This fills the holes in SOUTH's hand nicely, so she bids 6♠.
