NORTH has a normal 1♠ opening bid, 14 points and five trumps.

SOUTH has good 4-card support and 7 points, so she raises to 2♠.

NORTH passes, knowing he is not missing a game contract. SOUTH can have a maximum of 10 points, which would only reach 24 points when added to his 14.

4 ♠ by East

With a 5-card ♠ suit and 16 points EAST should open 1 ♠.

WEST has 11 points and four ♠s. So even though he has a balanced hand, he jumps to 3 ♠, a Limit Raise.

EAST adds: her 16 plus WEST's 11/12 equals a game, 4 ♠.

SOUTH has the type of 5-card Major hand that many players would open 1NT. He has 17 points with most of them OUTSIDE the Major suit. But, many others would disagree so for this Deal SOUTH will open 1♠.

NORTH has 11 points and excellent (is that strong enough?) ♠ support. So she naturally makes a Limit Raise of 3♠.

SOUTH adds the points and ignores the fact that his ♠ suit is Jack high. He bids 4♠.
