The ♥ and ♠ suits look really good, but neither of them are 5 cards, so you open 1♣. Partner responds 1♥. What is your next bid?

Partner's bid shows 6-10 points and at least 4♥s. Since you now know there is an 8-card Major suit fit you revalue your hand, adding 2 more points for the singleton ♦.

That gives you 20 points; add partner's 6-10 and you have enough for game. She who knows, goes, so you bid 4♥.

You dealt this hand.

You have the right strength but the wrong distribution to open 1NT. So you bid 1 ♣. Partner responds 1 ♠. What do you say next?

With partner's ♠ bid giving you a fit, your hand revalues to 18 points. If partner has only 6 or 7 points there is not enough for game, but if he has more than that then you should bid game.

When you are in-between like this you just invite. So you jump to 3 ♠. This tells partner to bid game if he has more than the minimum for his bid. He has 9 revalued points, so he bids 4 ♠.
