You have 5 points, all in ♦s. That will take the partnership total to either 25 or 26, so you have a judgement call. If partner is unable to establish your ♦s then even 2NT will probably be too high, so you might as well assume that he will be able to use them and bid 3NT.

You hit the jackpot.

You and partner better have a good agreement on which Ace-asking convention you use because you're going to use it now. Let's say it is Gerber.

You bid 4♣ and partner replies 4♠.

Missing one Ace you settle for the small slam.
