You respond 2♣. Partner rebids 2♦. What is your next bid?

With 13 HCP and that ♣ suit you could jump to 4♣. However, that would sail you right past 3NT which is very likely to turn out your best game. Rather than rebid ♣s, find out whether partner has ♠s stopped by using FSF.

You bid 2♠ and partner then says 2NT. Where do you go from here?

It couldn't have worked out better. Notrump played from partner's side. You bid 3NT.

There is only one possibility; you open 1 ♣. Partner responds 1 ♦.

You rebid "up-the-line", so you now say 1 ♥. Partner says 1 ♠.

Be careful! This is NOT Fourth Suit Forcing. It is true that you are forced to bid, but the difference is that in this sequence partner has a real ♠ suit. With 4-card support you bid 2 ♠ and partner raises to 4 ♠.
