You have just a little extra so you bid 3♣ to show a singleton. Partner says 3♥ and it is your bid again.

Partner's bid means he has first round ♥ control, obviously the ♥ A. But it also denies holding the ♦ A since control bids are made up-the-line. You show your lack of a Minor suit Ace by returning to 3♠. Partner signs off at game.

You could equally have just bid 4♠ yourself.

With opening hand and 4-card ♠ support this is an ideal Jacoby 2NT response. Partner says 3NT.

East has some extra strength and a 5-card ♠ suit. This is the point in the bidding where you would make a control bid, showing an Ace. Well, you would if you actually had an Ace. The way you indicate your lack of a control is to just return the the agreed trump suit. So you bid 4♠ and partner passes.
