4♥ by North

North opens 2NT showing a balanced 20-21 point hand.

Jacoby Transfers work fine with 2NT openings also. You should bid 3♦ as a transfer to ♥s. Partner complies by saying 3♥.

You bid 3NT which tells partner you have just 5 ♥s and lets him decide on which game to play.

On this Deal partner has 3 ♥s so he bids on to 4♥.

Notice that when partner opens 2NT the invitation to game option is no longer available. As responder you must decide immediately whether to stop short of game (by transferring then passing) or to go to game. This is not a serious problem since the tighter (20-21) point range makes responder's decision easier to make.

2NT by East			

You open 1NT and partner responds 2♦.

This is an easy one. Partner has commanded you to say 2♥. So you say 2♥. Partner now bids 2NT.

What is your bid?

Partner's bidding shows 9 points and exactly 5♥. He asks that you take him back to ♥s if you have 3 of them. You don't. He is asking you to bid game if you have 17 points or a good 16. You don't.

So you pass.

♣ A 10 9 3

You open 1NT and partner responds 2♥.

Naturally you say 2♠. Partner comes back with 2NT.

Partner's bidding shows 9 points and exactly 5♠. He asks that you take him back to ♠s if you have 3 of them. You don't. He is asking you to bid game if you have 17 points. You do.

So you bid 3NT.
